

Six Feet Away

Six feet, six feet, six feet away
Six feet, six feet, makes it hard to play
Corona, corona, won't ya go away
Corona, corona, in the house all day

School work, meetings, friends on a screen
Wear a mask, wash my hands, keep it all clean
Nana, Grammy, who will take my call
Bored, bored, I guess I'll clean the stall

Stores all empty, no jobs to go around
Miller Park, Fiserv, all shut down
Toilet paper, soap, nowhere to be found
Playgrounds empty, not a single sound

Museums, libraries locked up tight
Healthcare working all through the night
Legos, puzzle, grab another book
Dishes, laundry, time again to cook

Six feet, six feet, six feet away
Six feet, six feet, makes it hard to play
Corona, corona, won't ya go away
Corona, corona, in the house all day
