Peace, love, let's ignite it!
Peace, love, never divided
Diversity is key imma keep remindin
People comin' together to have peace and chill
Eating all the food with meat on a grill
People all happy and having a big thrill
from all over the world in peace on the real
Peace, love, let's ignite it!
Peace, love, never divided

People havin fun and ain't no fightin

Peace, love, never divided
Diversity is key imma keep remindin
